PARENT WORKSHOPS

Can Good Parenting Prevent Substance Abuse? Speaker: Dr. Judy Kramer
Is substance use, experimentation, and “partying” all parts of normal adolescence? Are there ways to “inoculate” your children with the skills they will need to make good decisions and use their best judgment in difficult situations? Well the answers from research would be “yes” and “yes”. Come share the collective wisdom about parenting and prevention—and about how our job as parents/guardians changes throughout the development of our family.

Building Responsibility – Teaching Children to Learn From Their Mistakes

Speaker: Dr. Judy Kramer As parents/guardians we do our very best to teach our children all they need to know. We try to guide them in a positive direction and protect them as they grow. At every age children need to learn to be responsible, independent and resourceful – and there are hard decisions to make about when to let children make their own mistakes. Join us at this interactive workshop as we discuss when it is time to step back and when as a parent you need to step up. **Date:** Wednesday, May 6, 2009

Spring/Summer 2009

Dear Neighbor:

I am very pleased to present the Recreation and Parks Commission's 2009 Spring/Summer programming catalog. This year, we will again offer a wide range of programs for all of our residents' benefit and enjoyment. I am pleased to announce that we have added several new programs this season, including trips to Rutgers Gardens, tournaments with board games and Dance Revolution.

We will continue to provide educational activities such as acting and cooking classes for children, our three-day science program (over spring break), and the popular Kids Discovery Day so our children can learn about dinosaurs.

For the sports enthusiasts, a mini sport camp for boys and girls, our award winning soccer program and basketball superstar camp are just some of the activities that are available. Our teens can enjoy our band showcases where bands will battle to see which ones are truly the best. In addition, we are pleased again to provide our summer concert series, which is a chance for all of our community to come out and enjoy great music with your neighbors during an evening under the stars in our wonderful community. Be sure to mark your calendar for these special events. And don't forget the event of this year, Marlboro Day.

These are exciting times in Marlboro Township, as always our Recreation and Parks programs are available for you and your families to enjoy.

I would like to wish everyone a happy healthy and enjoyable spring and summer season. And I look forward to seeing you with your families at the many events that the Recreation and Parks Commission have planned for us.

Very truly yours,

Jonathan L. Hornik
Mayor of Marlboro

Marlboro Township
Recreation & Parks Commission

Dear Marlboro Residents:

It's springtime in Marlboro Township and that means your Recreation & Parks Commission is pleased to present the Recreation Department's slate of activities for both the Spring & Summer of 2009 in this handy Recreational Guide.

Before we get into the highlights of our many spring and summer recreational programs, we are delighted to announce our recent expansion of the Marlboro Township Recreation & Parks Commission from seven to nine volunteers. As our community grows, this Commission grows as well, continuing the tradition of providing Marlboro Township residents with the very best in recreational programs and activities. So, please join us as we welcome two new "alternate" Commissioners, Howie Wolfson and Eric Cohen.

Okay, now for some of the good stuff that has been planned for you – details for each activity can be found within the pages of this guide. To begin, we have added to our existing list of popular activities and, hopefully, we are providing something for everyone. There are new knitting classes for adults, an exercise (step class) also for adults, and some really great theatrical treats in a series of productions (that we plan to make available two to three times per year). We call these professional productions "Way Off Broadway" – they are for the whole family to enjoy.

For our 4th and 5th graders who like nature and the outdoors, we have trips to Rutgers Gardens, Island Beach State Park, and Historic Longstreet Farm. Details are included in this guide. For our 6th - 8th graders, we have lots of events planned, including Tournament Thursdays that will consist of board games, ping pong, dance revolution, and more. This fun program will run on six dates after school from 2:45 – 5:00 PM. We also have a Skate Park Tour during spring break and lots of other special fun events. Our popular Band Showcases are included for our high school aged children, so be sure to check it out on www.jerseyshows.com.

What are you waiting for? The Recreation & Parks Commission invites you to sign up for the **Recreation E-Alerts** program. Now you can easily receive all of your recreation program and special events news firsthand, delivered directly to your inbox via e-mail.

Spring and summer in Marlboro means soccer and this year we will be hosting our 22nd Annual Invitational Soccer Tournament. On Sunday September 13th we'll host Marlboro Township's biggest special event: our 26th Annual Marlboro Day -- so tell your friends, wake the neighbors, and bring the relatives to demonstrate your pride in Marlboro Township.

The Recreation & Parks Commission and Recreation Department wishes you a great spring and summer, and we remind you to "Take Advantage of Marlboro's Advantage - Marlboro Recreation".

For the Commission,

Stephen Dick, Commission Chair
